SUPPLEMENTARY INFORMATION:

Title: FERC-588 (Emergency Natural Gas Transportation, Sale, and Exchange Transactions).

OMB Control No.: 1902-0144.

Type of Request: Three-year extension of the FERC-588 information collection requirements with no changes to the current reporting and recordkeeping requirements.

Abstract: FERC-588 is an existing information collection consisting of filing requirements and notice procedures at 18 CFR 157.17 and 284.270. These regulations pertain to non-jurisdictional companies' assistance in natural gas emergency circumstances. The non-jurisdictional companies that assist in such emergency transactions must file information with the Commission under 18 CFR 284.270, so that the Commission may ensure compliance with relevant legal requirements. An interstate pipeline that seeks an emergency certificate for facilities must file an application under 18 CFR 157.17.

Types of Respondent: Providers and recipients of assistance in natural gas emergency circumstances.

*Estimate of Annual Burden*¹: The Commission estimates the total annual burden and cost² for this information collection in the following table:

A. No. of Respondents	B. Annual No. of Responses per Respondent	C. Total No. of Responses (Col. A x Col. B)	D. Average Hr. Burden and Cost per Response	E. Total Annual Hr. Burden and Cost (Col. C x Col D)
10	3	30	10 hrs; \$830	300 hrs.; \$24,900

Comments: Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and

¹ "Burden" is the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. For further explanation of what is included in the information collection burden, refer to 5 CFR 1320.3.

² The Commission staff believes that industry is similarly situated in terms of cost for wages and benefits. Therefore, we are using \$83.00 per hour in this calculation. That is the current average hourly cost, for wages plus benefits, for one FERC full-time equivalent.

clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Dated: July 13, 2020.

Kimberly D. Bose,
Secretary.
